EFFICIENCY, SAFETY and NOTES

- ✓ RELIABILITY AND SAFETY are guaranteed by a COPPER BOILER. Copper is an explosion-proof and antiscaling material. The HEATERS are placed externally, so they NEVER come into contact with water.
- ✓ 1 KW power creates a steam flow equal to 1,2 kg/h (20 g/min). The efficiency of steam is proportional to its flow, not to its pressure. There is no point in having high pressure and a low flow.
- ✓ The whole production is based in Italy, in our plant in Pesaro.

SPARE PARTS AND SERVICE

BIEFFE guarantees the shipping of spare parts, accessories in very short times. Our efficient help line is available for service and assistance.

EFFICIENCY, SAFETY and NOTES

✓ **RELIABILITY AND SAFETY** are guaranteed by a **COPPER BOILER**. Copper is an explosion-proof and antiscaling material. The **HEATERS** are placed externally, so they **NEVER** come into contact with water.

✓ **1 KW** power creates a steam flow equal to 1,2 kg/h (20 g/min). The efficiency of steam is proportional to its flow, not to its pressure. There is no point in having high pressure and a low flow.

✓ The whole production is based in Italy, in our plant in Pesaro.

SPARE PARTS AND SERVICE

BIEFFE guarantees the shipping of spare parts, accessories in very short times. Our efficient help line is available for service and assistance.

BF026 – Ironing Board

Universal heated and vacuum ironing board equipped with one motor and a pedal board

BenEfits
Professional ironing board

Vacuum and heated board

FEATURES

BF026 – Ironing Board – Powerful, Versatile, and Professional

Upgrade your ironing experience with the **BF026 Heated rectangular Ironing Board**, designed to combine efficiency, convenience, and professional performance.

Featuring a **high-performance heated surface with up to 700W power**, this ironing board allows you to quickly dry and smooth your garments with ease.

Its **integrated 150W vacuum motor** ensures your clothes remain perfectly flat on the board, preventing wrinkles and giving you a flawless finish every time.

The **foldable design** allows for easy storage in any room, making it ideal for both home use and professional environments.

On our website, you can also find **optional sleeve arms** and **specialized garment trolleys**, perfect for handling delicate or large items with ease.

This ironing board is ideal for **tailor shops, dry cleaners, dressmaking studios, and hotels**, offering professional-grade features at an **affordable price**.

Its sturdy construction and versatile design make it a reliable tool for daily use, while its compact foldable frame ensures it fits neatly in any space when not in use.

Key Features:

- Heated ironing surface with 700W maximum consumption for fast drying
- Built-in 150W vacuum motor for perfectly flat garments
- Foldable design for easy storage and mobility
- Optional sleeve arms and garment trolleys available
- Ideal for professional environments: tailor shops, dry cleaners, dressmaking labs, and hotels
- Affordable and reliable, also suitable for household use

The **BF026 Heated Ironing Board** brings together power, precision, and convenience, making it the perfect choice for both professional and home ironing needs.
